

“Lisa Weidman has ministered in our church in song, testimony, humor and with a friendliness that makes you feel like you have known her a long time. She reaches people where they are; not just in song but as she reaches out to them under the anointing of the Holy Spirit. The quality of her vocal abilities is really second to none and as she shares her testimony you can sense the Lord beginning to heal hurts of all who listen.”

Pastor William E. Dick
New Franklin Assembly of God
Chambersburg, PA
